Dear Students & Families,

Week 2 has started off a little wet and windy despite this, this term students are required to bring in their hats and as the sun is out it can be harsh and will intensify as the term progresses. Sunscreen is provided at school however students can bring in their own please notify your child’s classroom teacher if you are doing so.

This week there has been excitement across the school as the Basketball court is now back open and wonderful new play equipment has been installed. Students have been testing out all the new and exciting pieces of equipment with rave reviews. Here is to hoping that the rain holds off, so all the positive and happy play can continue.

If your child is travelling on a school bus to and from school could families please ensure they have their child ready for the designated bus arrival and drop off times. Please allow at least 5 minutes either side of this time. If you are having issues with your bus drop off and pick up times please contact the school to help you resolve this. Some buses will be adjusting their pick up and drop off times over the next few weeks, students on affected buses will receive a letter notifying them of these adjusted times.

Finally many of our graduating students have started transitioning to service providers they will be attending in 2017. We have students heading off to Mawarra, Scope, Federation Training, Yoralla, DC Man Cave, Moe Life Skills and SASI. Over the term we look forward to hearing about all their wonderful new adventurers that they have embarked on.

LOOK WHAT'S CHANGED IN THE PLAYGROUNDS
OVER THE HOLIDAYS!!

Our new VENTI, the first to be installed in Australia, provides 20 exciting challenges in one. It includes nets, belts, slides and climbers that will challenge both physical and planning skills, as well as imagination.

The WEENOTES Musical Instruments are designed with perfect pitch for a beautiful tone no matter how they are played. They are a joy to hear.

Many of the SENSORY PANELS are wheelchair accessible and offer a range of activities, including mazes, mirrors, marbles, bells, chimes, drums and spinning wheels. These panels are designed to stimulate the senses eg. hearing, vision and touch; as well as eye-hand coordination, thinking skills and socialisation. It's been great to see the students using the panels in many different and creative ways already.
We have some very exciting news!
Our Parents & Friends Association is planning a Garage Sale Bonanza for Saturday 26th November!
They also hope to have other activities such as a sausage sizzle, car wash etc

It promises to be a great day with some great bargains to be found!

We are seeking donations of any items you no longer want / need that are suitable to sell - including clothes, books, toys, household items, furniture, games etc

HELP NEEDED!

If you are able to help out in anyway on the day or with planning prior (brilliant ideas for activities perhaps!), your assistance would be greatly appreciated - our PFA group is a very small one and any extra hands will help to ensure the day runs smoothly.
Senior Student of the Week - Darcy
Good behaviour

Senior Student of the Week - Harley
Transferring skills learnt at TAFE into a work situation

Senior Student of the Week - Sarah
Supporting the teacher by making great decisions
