Warragul & District Specialist School Newsletter

Term 1 Issue 2, Tuesday 12th February 2019

Dear Students & Families,

We have entered in to Week 3 of school with many programs now up and running. The Senior students have now begun all their programs and it has been great to see and hear students excitedly speak about attending Hopeworks, Baw Baw Skills, Canteen, Community Connections and many towards independence programs.

Middle school have also started all their streaming groups throughout the week and all Middle classes swimming this term will be swimming this week on Wednesday's.

This year we have had a number of alternations to student transport bus routes before and after school. These times will slightly adjust over the course of the next few weeks whilst the bus runs settle in to their new routines. If there are any issues regarding your child's bus route please make contact with myself at school and I will assist you with this.

Please make contact with school or your student's bus supervisor if your child's transport plans have changed for the day. It is important that bus is aware if your child is planning on catching the bus on a day they usually do not or will not be on the bus on certain day. Our school operates using a digital bus route system and this is generated for every bus run (much like a passenger list when catching a flight!), a list of bus numbers have been included in this week's newsletter.

A reminder that next Friday 22nd of February is a Curriculum Day at school, students will not attend on this day. Our final Curriculum Day for the year will be Friday 3rd of May so please also pop this date in to your calendars.

Have a great week!

Juniors

ROOM 3

Room 3 are completely on task and have been doing some great work getting to know each other !

SENIORS

Seniors have started their electives and the Gardening Group had lots of work to do in their first session - the water tank was empty so students used buckets to water the fruit trees ! They worked hard tidying up, weeding and getting the garden back to its pre-Christmas glory!

Student Work

Jaime from Room 16 produced this piece on the drought plaguing so many parts of Australia - well done Jaime!

Drought

I was in my dad's truck he works with Reid's Stock Feed and where he goes it is just dead, like a place called Winnindoo.

In Winnindoo there's cracks in the ground and it looks lonely and dry.

CANTEEN COMMENCES THIS THURSDAY 14TH FEBRUARY!

ORDER FORM HAS BEEN EMAILED & WILL ALSO BE SENT HOME WITH STUDENTS

IMPORTANT !!

All Students should have received 2019 forms for completion. Please return 2019 Forms ASAP - these are due by 1st March. If you need assistance completing them or additional copies please contact the office on 5623 1385
