Dear Students & Families,

Hello and welcome back to term 3. I hope that everyone had restful holidays and managed to relax and spend some time together as a family.

Over the holidays the school continued its grounds projects. Works continued on the renovations in the courtyard with the installation of sand play equipment and standing domes and new fencing was installed around the oval. Further works are scheduled for the next holidays with play equipment being installed in the basketball court yard.

This term you will be contacted by your child’s teacher to arrange a Student Support Group (SSG) meeting. At this meeting you will have an opportunity to review how your child is progressing in achieving this year’s goals. Your child’s mid-year report and your regular communication book entries should give you a lot to consider before the meeting. We look forward to seeing you.

It is winter and it is cold, wet and time to wear a warm coat!! With the cold weather comes colds and illness! Please remember that if your child is ill please keep them at home. In this way we can limit the spread of illness at school.

Matt

Our Parents & Friends Association is an active social group which supports Warragul & District Specialist School in many ways, including fundraising, morning teas and other activities throughout the year.

It's also a great chance to get together for a chat & a cuppa!

Monthly Meetings are held at the school on the last Friday of the month at 9.00am. The next meeting is on 29th July, if you need further information please contact Karlee on 0409 268 889.
This Term, Room 3 will be looking at books written by an author named Pamela Allen. She is a fantastic writer who has written many picture story books for children including ‘Belinda’, ‘Who sank the boat?’, ‘Mr McGee and the biting flea’ and heaps more. We will be focussing on one book each week. This week we have read ‘The man with messy hair’. Yesterday we made faces with messy hair by using feathers, wool, pipe cleaners, felt and anything else we could find. Later this week we will be making ‘Hairy Harrys’ by planting seeds in some stockings and watching their ‘hair’ grow.
