**Senior Football Excursion**

On Sunday the 12th of June a group of 19 students and seven staff from the senior school went to watch Carlton vs St Kilda at Etihad stadium. We gathered at the Warragul Train station at 9.30am all very excited. The students all had their own Myki cards and were excited to use them. The train down was very crowded with a lot of people heading to the football. We arrived at Southern Cross station and made our way to the stadium.

We had great seats high up in level 3 and could look down at the whole ground. There was a big crowd at the ground and a great atmosphere. The students were really getting into the game. A lot of the students had money which they couldn’t wait to spend at the canteens and they soon found that it wouldn’t take long to spend all their money with the prices of food.

The game did not end up that close as Carlton had a bad day and St Kilda played well. We left a few minutes early to catch the train home and all arrived safely. Everyone had a good day showing great maturity and independence and some were inspired to go again.
In Room 5 this term we have enjoyed our Science sessions. Lessons have focused around air and blowing. We have experimented with balloons, pin wheels, whistles, bubble snakes and bottle blowers, and have enjoyed showing the whole school at assembly.

We learnt how to control our blowing to produce differing results, but mostly we had heaps of FUN!
