Dear Students & Families,

This Friday we will be having our school swimming sports. The swimming sports will be at the Warragul Leisure Centre starting at 11am and should be finished by 2:30. We are encouraging all classes of the school to come along, participate and cheer on their teammates. With over a 110 students at the school it should be a fast paced event! Please consider attending the event yourself. Your child and their friends would love to see you.

Tomorrow is our school review panel day. On this day our school reviewer, Zenda Clark, will lead the panel in reviewing what the school community has accomplished during the last 4 years. We will also be looking at the future directions for growth during the next 4 years. I’m looking forward to the discussion.

First term is nearly over! It has flown by! There have been many highlights during the term, but I would like to point out the success of new students transitioning into the school. This is especially evident in our prep class, where all the students and their families have had a fabulous transition into the school. Well done preps.
