Term 2 Issue 16, Tuesday 18th June 2019

### Dear Students & Families,

Over the last few weeks we have been very fortunate to have a range of additional people in our school. Your child may have even mentioned a name of a new adult in their room or program. Many of these people are doing a placement at our school to help build their skills in their future profession. Some of these people are 3<sup>rd</sup> year student teachers from Federation University, Allied Health students working with our therapy team, adults undertaking a disability support course at TAFE, and even work experience students. Staff at the school work closely with these individuals to enhance your child's programs. Thank you to everyone involved.

Unfortunately, recently our school has been the victim of vandalism. On a number of occasions, overnight damage has been done to school buildings, grounds and even our buses. This is very distressing to students, staff and families who see the damage in the morning. I thank the school community and local Warragul businesses who quickly repair the damage to lessen the impact on school programs. As a preventative measure the school is looking to put up outdoor security cameras to monitor some of the school grounds. Hopefully the recent events are only a hiccup and we will return to a school environment free from overnight vandalism.

## Seth's Aussie Adventures!

Seth and his mum and dad, Susan and Shane, have just returned from another trip in their caravan! This time they headed up to Queensland. Some of the places they visited included The Blue Mountains (Seth LOVED the cable car ride), Lithgow, Gold Coast, Sunshine Coast and beyond! Along the way they stopped to visit family and check out the sights. Seth even did homework, completing a Holiday Journal!

Seth's parents take him on lots of adventures in their van and they are all looking forward to their next one!

**Savanna**

**Michael**

A highlight each week for **Room 1** is the Sensory-Fine Motor Sessions with Anne, our Occupational Therapist.

As well as the opportunity to explore new things each week and practise their hand skills, the students learn about taking turns and sharing.

We all love this session and are always **SAFE, RESPECTFUL**
