Dear Students & Families,

Everyone has returned happy and excited for what I am sure is going to be a busy yet enjoyable Term 2.

This past Friday the Senior school ran a BBQ at Bunnings, the day was a great success and students are looking forward to running their next BBQ in May on the 20th. It is fantastic to see students work together as a team, utilise skills they have been learning in class and represent our school in our local community.

This Friday 22nd of April the Junior school will be heading off to the Road Safety Awareness Centre in Morwell. At the centre, students will get to experience many different aspects of keeping safe around roads. It’s a fun day with lots of fantastic activities. Many of the day’s activities will be outside so please dress your child appropriately for the weather.

We are having some exciting things happen in the Senior garden at the moment. We have been very fortunate to have a landscape garden designer come in and provide some great ideas and plans for where the garden can move forward in to the future. As we move through the development phase we will be seeking an expression of interest from family and friends of our school community to come in and offer their assistance with certain aspects of the garden development- so all the green thumbs out there please stay tuned as we would love your help when the time comes!

Lastly a reminder that this upcoming Monday the 25th of April is ANZAC Day which is a Public Holiday and therefore there will be no school on this day.

Alesha
PJ Day Friday Thursday March 24th—we raised $325 for Malia’s family to travel backwards and forwards to the Royal Children’s Hospital.
Bayden, Room 5
Listening & following instructions at the pool.

Friends of Mount Worth State Park

Invite you to the launch of our refurbished all access track

Date: Saturday 30th April

Time: 10am

Location: Moonlight Creek Picnic Area, Mount Worth State Park

Join us and Harriet Shing MP to celebrate the completion of our “Local Landscape Enhancement” Project. The track to Maslins Mill has been resurfaced with new bridges and information signs. This popular family walk can once again be enjoyed by people of all ages, regardless of fitness or mobility levels.

A light morning tea will follow the short official program.
