Dear Students & Families,

Thank you to all the parents who nominated to be on school council. School councillors play an important role in monitoring and guiding the school’s processes. As the number of nominees was the same as the number of vacancies, there will be no need for an election. I would like to congratulate Rachel Morgan, Steph McKenna, Kerry Price, and Andrew Ronalds on their appointment as school councillors.

It’s great to see so many students wearing hats and sunscreen during the hot weather. With temperatures looking to be in the 30’s this week can I encourage all students and families to check that they have a sunhat and drink bottle. The school does have sunscreen available and staff will help students apply the sunscreen before going outside.
