Warragul & District Specialist School Newsletter Term 2 Issue 10, Tuesday 20th April 2021

Dear Families and Friends,

I hope that everyone had good and restful Easter holiday break and managed to do something special together as a family. It was fantastic to see so many students return to school eager to catch up with their friends and staff and get back into their programs and normal routines. I hope that everyone has a wonderful term 2.

Whilst this morning was warm and sunny, this afternoon has been cold and wet. This is a good reminder that we are coming into the colder months and that it is time to get out the cold weather gear. Many of us have raincoats, hats and rubber boots that we bring to school ready for the cold and wet. Please talk to your child's classroom teacher to discuss what clothing and equipment would best suit your child in their different programs.

Currently we are upgrading some of the fencing around the school. Most of the works is taking place in the junior section of the school, replacing original pool fencing with modern black fencing. We are also replacing the fencing along Burke St.
