Warragul & District Specialist School Newsletter

Term 4 Issue 35, Tuesday 20th October 2018

Dear Students & Families,

Last Wednesday the West Gippsland Arts Centre held their annual Parasteddfof. Colin Maney and our Senior staff entered students in a number of categories throughout the day. It was a fantastic day and everyone performed with great enthusiasm. Many classes also had the opportunity to head along to newly renovated Arts Centre and cheer on their peers performing and I know also enjoyed their time as audience members. Congratulations to all who performed on the day with a special mention to Ramon and Keith who were both awarded first place in their respective categories.

Yesterday Room 1 returned from an action packed overnight camp in Garfield. For many students this was their first overnight school camp. Students not only had the highlight of staying at Garfield but also had the opportunity to go on a Puffing Billy train ride and visit Jump Crazy. Well done to all attended the camp, it sounds as though everyone had a wonderful time.

Warragul & District Specialist School Curriculum Days for 2019 have been confirmed at School Council this week. Each school in Victoria have 4 Curriculum Days across the school year. These days are used for professional development, school planning and administration, curriculum development, student assessment and reporting. Curriculum Days are student free days so please put the following dates in your 2019 calendar:

Tuesday 29th January, 2019
Wednesday 30th January, 2019
Friday 22nd February, 2019
Friday 3rd May, 2019

A reminder to families that our School Concert will be Thursday 13th December at Warragul & District Specialist School. The theme for this year's concert is *Dreaming by the Sea*. Students across the school have been busy practicing for the evening event. Each individual class teacher will notify families should they require to bring along particular items for this year's concert.

Have a great week!

On Tuesday the 13th of November Room 4 went bowling. This was the first time many of the students had experienced the thrill of the Warragul Bowling Alley. It was wonderful to see smiling faces throughout our game. The prep students waited patiently for their turn and encouraged their classmates. Thankyou to Lauren and Stephanie for taking time out of your day to make it a success !
