Hi everyone!

This Thursday we are holding a footy colours day. Please encourage your child to wear their favourite team's colours to school. We are looking to have students donate a gold coin to go to cancer research. If you or your child doesn't already have a team they could consider dressing up in Carlton Blues colours!

It is wonderful to see a range of school programs recommence with the easing of restrictions in regional Victoria. While we are not back to our full program, we are now very close. Many of our community based programs are now back up and running and being enjoyed by students and staff alike. Please take the time to talk to your child about some of the wonderful activities they are able to do at school.

Our school captains are looking to have a whole school Halloween fun day on the last Friday of the month. They are looking for the school community to have a little fun in amongst all of the Covid restrictions. The day will involve school based Halloween activities (Literacy, art, and Music), dressing up and a Covid safe parade. Further information about this day to come.

Take care,

Matt

Yesterday the MYSSP students had a very busy day at Mount Worth helping the Landcare volunteers with maintaining the park. Due to the amount of rain we have had there was plenty to with tidying paths and clearing trenches.

We were very proud of the **SAFE, RESPECTFUL** way our

students conducted themselves particularly in such cold and slippery conditions. They all worked so hard - so much that one student even fell asleep on the bus trip home! Well done everyone!

We also have some more photos from last weeks trips to Noojee....how lucky are we to live in beautiful West Gippsland?!

What a beautiful setting for lunch!
