

With the wet weather last week, Room 1 students spent some time doing some **BOX CONSTRUCTION.**

They also showed their creations at assembly.

Well done Room 1 !

Connor labelled his creation 'a very strange parent'. We think he did great work and love his creativity!

Term 2 Issue 19, Tuesday 22nd June 2021

Hi all,

WOW – we are nearly half way through the 2021 school year! Individual Learning Plans (ILP's) and Curriculum Reports will be sent home with students tomorrow, Wednesday the 23<sup>rd</sup> of June. We hope that both of these documents will provide you with some information on how your child has progressed this semester. Next term families will have the opportunity to meet with teachers and where required allied health staff to discuss their child's progress further and adjust any necessary goals. Term 2 finishes this Friday the 25<sup>th</sup> at 2pm. If your child catches a bus home they will arrive home an hour earlier than usual on Friday.

Despite a lockdown and a 'little' wet weather we have had of late, we have managed to have a wonderful term. Students have engaged and been involved in a range of fabulous inside and outside learning experiences both within school and out in our community allowing them the chance to develop a range of skills. I hope these holidays provide many opportunities to spend time with family and friends and that all students, families and staff enjoy a well-earned rest.

Take Care and we look forward to seeing you all back in July and ready to go for Term 3.

Have a Great Week & Keep Smiling,

*Chris*

## Creative Working – Week Six

I can't believe the term is almost over – time flies when you're having fun with art!

This week the students painted the last of their clay sculptures and did really well as some parts of the models were extremely fiddly to get to. The results were fantastic as you can see!

I have been bringing my record player to each class so I thought it would be nice to extend that into our art projects. There may be a vinyl revival but there are still heaps of old LPs in the op shops that people have thrown away so I grabbed a few and in our Friday classes we painted on them! As inspiration I printed out some great album cover designs from old jazz and big band compilations right through to Pink Floyd and AC/DC but I don't think they were needed as the students were full of ideas. I reckon the revamped LPs will look great all displayed together as one big wall of abstract art. Don't worry Thursday classes - you get your turn on the vinyl this week!

Another part of our musical project is to create a playlist of our favourite songs that the students can listen to on Spotify. So don't forget to let me know this week what track you'd like on there – staff as well!
