Dear Students & Families,

If you have been to visit us at school over the last week you will have noticed that we have had a new speed hump installed and new 5km and speed hump signs erected. Please do take care when driving down the driveway and drive to the speed limit; the safety of everyone in our school community is of utmost importance.

We are currently doing the bus transport routes for 2017. If your child is not currently on the school buses for school pick up and drop offs and you would like them to be for 2017, please notify us as soon as possible.

Also, if you are aware that your family is moving before the 2017 academic year begins please also notify us of this. It can take at least a week for bus changes to be made.

As you were notified the School Athletics Day has been cancelled for tomorrow. We will notify students and families if a rescheduled date has been possible.

With the start of Summer comes the warmer weather. Our school is a Sun Smart school and I ask all parents to make sure your child brings a hat and a water bottle to school. Sunscreen is provided by the school. If you want your child to use a particular type of sunscreen, please give it to your child’s teacher.

Lastly, Room 8 & 19 is heading off to camp on Thursday and Friday. They are particularly excited about visiting Buchan Caves and Raymond Island to visit the Koala’s. We look forward to hearing about all the wonderful things they have got up to.

Have a great week.

Moe Life Skills is a fantastic community organisation and we are thrilled to have them included in our Transition Program. Sam is transitioning to Moe Life Skills for his futures for young adults program next year.

Their mission is 'To empower people with disabilities to fully exercise their rights and responsibilities as contributing citizens' or in other words ‘We want people to learn so that they can have power to control their own lives and do the things they want to do.’ They are a forward thinking, progressive organisation and a great option for our students once they finish school.

Sam works on a Wednesday in a café at the Narracan Gardens Nursing Home. The residents and their family and friends, order coffee or milkshakes from Sam. There are three staff that work in the café and Sam has learnt so much from them!

Two of Sam’s VERY happy customers - Angela & Ebony!

On Friday 11th November, students from Rooms 11 and 18 travelled by coach to the Melbourne Arts Centre to a show called ‘Sonatina’.

It was the Little Red Riding Hood story but the characters were different, little Red Riding Hood was an egg, Grandma was a potato and the Wolf was a potato masher! It was a great show and afterwards they got to meet some of the actors. When they had finished the students had lunch out in the front lawn of the arts centre, then they went to the park on the way back to the bus. It was a very big (and tiring!) day but it was excellent.

The students travelled in style!

A BIG thank you to the wonderful performers!

The water wall at the arts centre is wonderful and was quite an attraction for all of the kids!

It was a glorious day!
Basketball Victoria is in the process of developing a much needed wheelchair basketball program for residents in the Gippsland Region. To help gain momentum for this program they are running a wheelchair basketball tournament and junior skills day over the weekend of the 26th and 27th November at the Latrobe Leisure Centre, Churchill.

As part of the ongoing Gippsland Wheelchair Basketball Program, Basketball Victoria is looking to raise the profile and awareness of the sport within Gippsland.

If you would like to come down and watch the tournament, play in the tournament or be involved in the skills clinic, please feel free to go down. There will be wheelchairs available for anyone that would like to participate but in order for there to be enough wheelchairs for everyone we would like you to register as a player for either the tournament or the skills clinic.

If you have any questions please don’t hesitate in giving Tim Downes from Basketball Victoria a call on Tel 03 9837 8018 or Mob 0413 194 020.
