Dear Students & Families,

Last week Rooms 14 and 15 went to Allambee Camp. Allambee Camp is in the hills behind Yarragon. Despite the initial cold weather the sun soon came out allowing the campers full access to the activities. From all accounts everyone had a fantastic time with many students trying new activities for the first time. Well done! This was a great experience for everyone.

Hopefully you have been contacted by your child’s teacher to attend a Student Support Group meeting. This meeting is designed to review how your child is progressing in their learning and in meeting the goals that were set at the beginning of the year. If you haven’t already been contacted by your child’s teacher please phone the school to arrange a time.

Reminder:
We will be holding an Olympic Day on Thursday 25th of August. Each class will be representing a different country with a format running similar to the 100 Days of School earlier this term. Our Olympic Day will be starting at 9.20 to 12pm. 12pm onwards we will be having a whole school sausage sizzle and families are welcome to come along and join in on the fun, it should be a great day.

Matt

Forms Attached:
- Canteen Order Form

55 Burke Street (PO BOX 959) WARRAGUL VIC 3820 PH: 5623 1385
EMAIL: warragul.district.ss@edumail.vic.gov.au
Middle Student of the Week - Dylan

Senior Student of the Week - Tony
Positive attitude

Junior Student of the Week - Josiah
Always following instructions

**PIE DRIVE**

Please support our PFA fundraiser for Term 3 - savoury & sweet pies available, also in family size.

If you need another order form please contact the school.
ALLAMBEE CAMP

Our Senior Students had a great time at Camp last week. Here’s a sneak peak at some of the fun activities they got up to - look for a full report of in next week’s newsletter!

ART ROOM NEWS

This term we have enjoyed travelling to Rio with all the sportsmen and women. We have painted the Rings, designed our own medals out of clay, twisted wire to create 3D sculptures of our favourite sports and built the Olympic Stadium, Swimming Centre and the Equestrian Centre. On Thursday we will run our own Olympic day. Each room is representing a competing country so come along in the colour of their flag and have lots of fun. Invite your own cheer squad to come and watch.

   letter from your employee)

You may be eligible for Dairy Assistance
Funding of $375 per student - please
contact the office for an Application Form

Asthma app - the mobile
teaching tool

As part of Asthma Australia’s commitment to reduc-
ing the environmental impact of our support materi-
als we are switching to digital, and keeping things
simple for you, wherever you are.

Asthma Australia launches the Asthma app

Based on the hugely popular Health Professional Flip-
chart that has been in demand for many years, the
app aims to assist in the provision of key asthma self-
managements steps – right at your fingertips.

The Asthma App provides easy access to:

• the latest asthma information
• asthma medication and devices
• device technique videos
• asthma action plans
• asthma first aid steps
• and the Australian Asthma Handbook clinical
guidelines

You can even refer patients to our Patient Education
Referral Service for additional support directly from
the app. Once you have downloaded and used the
app, we are very keen to hear your feedback:

• How was your experience?
• Did the app help you provide asthma education
  with your patients?
• What functions would you like to see in future
  versions?

Let us know through the Contact us button in the app
or email us at info@asthmaaustralia.org.au

Where can I download the Asthma app?

Head straight to the iTunes app store and search
Asthma – look for the blue balloon
