Dear Students & Families,

Congratulations to all students, staff and parents who made our Annual Swimming Sports such a resounding success. It was fantastic to see students showing our school values of persistence and positiveness as they tried their best in each event and cheered their schoolmates on. Thank you to the VCAL Marist students who came and supported us on the day. Your assistance is greatly appreciated. Also a huge thank you to Ange Nunan for her amazing organisation. The swimming sports ran smoothly and was enjoyed by all.

Last Wednesday we had our School Review. It was an extremely positive process. Our journey over the past four years was discussed. It was a great opportunity to celebrate our successes as well as look at our future direction. The report from our review will be shared with staff on April 16 and with School Council at the following School Council Meeting.

We have had a short term but we have achieved a lot. Our new students and staff have settled in well and we are looking forward to Term 2 being a positive and productive one. We hope you all have an enjoyable and safe Easter break.

Nicole
Students are embracing and loving the Blueearth program.

On your marks get set GO....Last Friday was our annual school swimming sports, thank you to parents, carers, family & friends who attended. And a big THANK YOU to all students who put in 110% effort. It was a great day.
