

Tess, Jaime, Ali and Lily attended the Inspiring Young Women Dinner at the Warragul Country Club last week. Along with staff members Kerry and Maddie, the girls had a wonderful time meeting people from our local community and telling them their stories.

We are very proud to have these young ladies representing our school - they are all wonderful ambassadors and epitomise our school values by being

**SAFE, RESPECTFUL
LEARNERS!**

DATES TO REMEMBER

JUNE

Friday 28th

- Last day of Term 2,
2:00pm FINISH

JULY

Monday 15th

- First day of Term 3

Friday 19th

- World Pyjama Day -
Junior Unit

AUGUST

Monday 5th

- West Gippsland Trade
Alliance Open Day

Warragul & District Specialist School Newsletter

Term 2 Issue 17, Tuesday 25th June 2019

Dear Students & Families,

Individual Learning Plans (ILP's) and Curriculum Reports will be sent home with students on Thursday 27th. We hope that both of these documents will provide you with some information on how your child has progressed this semester. Next term families will have the opportunity to meet with teachers and where required allied health staff to discuss your child's progress further and adjust any necessary goals.

Over these holidays we have a lot of exciting building works happening including a new undercover area, concreting, a new shed and new flooring in the Senior school. We will be sure to share all the new additions to our school in future newsletters during Term 3.

Term 2 finishes this Friday 28th at 2pm. There will be a whole school assembly held in the courtyard if the weather is fine otherwise it will be held in the Engine Room. If your child catches a bus home they will arrive home an hour earlier than usual on Friday.

Despite the chilly and wet weather we have had of late we have managed to have a wonderful term. Students have had a range of brilliant inside and outside learning experiences both within school and out in our community allowing them the chance to develop a range of skills. I hope these holidays provide many opportunities to spend time with family and friends and all students enjoy a well earned rest.

Alesha

MIDDLE SCHOOL

Room 10

Room 10 made up a 'café' for a session where they used pretend money, some new wooden and felt food items and a touch of imagination to create fun activity where they practised their money skills, using their manners, taking and remembering orders, plating up pretend food and dealing with 'customers'. All the students got involved and had a great time as they rotated through roles including customer, chef, dishwasher, waiter and cashier. They were all disappointed when the fun had to end.

Look at these SMILES! This is how to have fun while learning! Hopefully one day we will see these students working at a real Café!

Student Work

Well done to Coby and Melvin from Room 19 who produced this fantastic work about a lion who is being both **SAFE** and **RESPECTFUL** - their writing and drawing is just fantastic! What wonderful **LEARNERS** they are!

LIGHTHOUSE APPEAL

Help light the way for young families in troubled waters

Do you remember a moment in the first months of your newborn baby's life when you felt completely overwhelmed?

Who was your 'lighthouse' during that storm? Who came to your rescue with a little act of kindness that put you back on an even keel?

That's the role Olivia's Place plays for vulnerable new parents who don't have family support or community ties - we shine a light to calmer waters. We provide friendship and practical support for parents who are overwhelmed. **But we need your help to do it.**

DONATE TODAY.
