Dear Students & Families,

Thank you to Sara Butler and Cameron Bowering for representing our school at the Warragul ANZAC ceremony last Saturday. Along with many other community organisations Cameron and Sarah laid a wreath on the behalf of our school in remembrance of those who have defended our country. Both students did a great job in representing the values of our school to the wider Warragul community. I would also like to congratulate Cameron for his enthusiastic rendition of the National Anthem.

Tomorrow the Junior Unit will be off to the Road Safety Awareness Centre in Morwell. At the centre the students will get to experience many different aspects of keeping safe around roads. It’s a fun day with lots of fantastic activities. Already a trailer load of bikes has been picked up and taken there for use on the day. Many of the activities will be outside so please dress your child appropriately for the weather.

The new bus and drop off routines introduced last year have been very successful. Student being picked up and dropped off are following the routines extremely well and getting to and from class safely. Many parents are choosing to pick up and drop off their children and are finding the designated car spots very useful. Thank you to all the parents and carers who are “going with the flow” when coming in with their children. Thank you for keeping student safety in mind and driving at a safe speed.

Our school representatives on Anzac Day, Saturday 25th April, Matthew Hyde, Cameron Bowering and Sara Butler.

Last Friday we celebrated 50 DAYS OF SCHOOL. Classes visited Sue and Ange in the Art room for a variety of fun, hands-on activities based on the number 50. We started with dancing and counting to 50 with lots of cool moves from the students. Senior students were excellent buddies for the junior kids and assisted them in making fruit loop necklaces, playing Race to 50 and stamping numbers to 50. We all can’t wait for our 100th DAY OF SCHOOL…Parents and friends will all be invited to help celebrate 100 days in July! WATCH THIS SPACE!
