Dear Students & Families,

Hello and welcome back to the 2016 school year. It was great to see students returning to school well rested and bursting with their summer news. By recess classes were abuzz with students getting back into the school routine and learning. I would like to welcome all the new students to the school. It’s an exciting and nervous time for both them and their families! I would especially like to welcome our new prep students and wish them well.

Please remember that both new and current students can find the transition to a new class difficult and will need additional support. Please inform your child’s teacher if you are seeing signs that your child is finding their transition difficult.

I wish everyone a wonderful year.

Matt
