Dear Students & Families,

Last Thursday we held an Olympic Day at school. It was a raving success with student’s trying lots of different sporting activities and representing countries from all around the world. I hope families also enjoyed their day here with us. Thank you once again to everyone who helped organise and run the day including the Parents and Friends Association who ran the BBQ at lunchtime.

Next Friday 9th of September the Junior school will be heading to Newborough to the annual Musicfest event each class will be performing an item and enjoying a great day out with other Special school’s across Gippsland.

The concert is fast approaching and tickets have almost sold out so head on down to Warragul Arts Centre and purchase your tickets so you do not miss out. The concert starts at 6:30 sharp on Wednesday the 14th of September.

Room 16 have been extremely busy this Semester. A couple of highlights that all students have enjoyed are the Music Eisteddfod at the Warragul Arts Centre, continually working hard in our garden which is coming along quickly, we purchased a worm farm and met Peter Norton from Buln Buln who is an enthusiastic worm man, who was more than happy to share with us his knowledge and some fine tips to keep our worms happy and gave us our new composters (worms).

Students also enjoyed the recent Paralympics held at school where of course we came through with the Gold medal representing Zimbabwe.

Students are looking forward to travelling to the Melbourne Museum on Wednesday and seeing you all at the concert!
