Dear Students & Families,

Hello and welcome back for the 2015 school year. It was fantastic to see students returning to school well rested and eager to get to their classrooms. Many were bursting with summer news and couldn’t wait to catch up with staff and friends. It was also great to see the 20 new students arrive at the school for their first day. Despite last year’s transition programs, many of these students (and their families!) were understandably both excited and nervous at the same time! Can I congratulate these families and the student for their bravery! It’s an exciting time in their educational lives!! It was especially exciting to see our prep students commence their education with us. Well done to our new preppies.

I would like to wish students, staff and families a great year in 2015.

Matt

Warragul & District School Photographs for 2015 will be on Tuesday 17th February by our School Photographers, Spargo Photography. To ensure that your photos are returned back as quickly as possible, please follow these quick and easy guidelines.

- Please write clearly on your child's envelope (Block letters preferred)
- If possible please don't use small change as this can break or fall out of your envelope, if this is not possible, please tape up the sides or put the money in a freezer bag then inside your envelope.
- All children must have their own envelope with them when being photographed. Please don't use one envelope for multiple children.
- Children without an envelope when having their individual photos taken will not have an order placed against their name. Any envelopes handed to the school after we have left will incur a $15 late order processing fee.
- For Family/Siblings Portraits please see your school office for an information flyer and red family envelope. Please do not place a family envelope in another envelope or an individual envelope. We will only photograph family/siblings with a completed family envelope.

ONLINE PRE-ORDER
We now provide you with the flexibility of pre-paying your child's photos online. Simply follow the links below to place your order. Once completed, print out your confirmation invoice and include in your child's envelope.

Order online and Save $2.00. Note; online orders do not incur the $2.00 bank fee charge.

Each day classes will be marking off each school day to 100 and will base maths activities on the number of the day. We would love families to become involved in this great maths program at home.

* Mark off each day on a calendar at home.  
* Practise counting to 100.  
* Make collections of 100 objects.

**MATHS AT HOME** weekly activities will be based on the **100 Days of School**.

Be ready for a BIG **100th BIRTHDAY** on Tuesday **21st July**!

**HAVE FUN!**  
Sue & Ange – Maths Specialists
