Dear Students & Families,

The busy Term continues. You will notice as you head in to the school entrance that another part of the Senior Garden has had a transformation. Last week a large part of this area had some excavation work completed, this is the first stage of the garden bed makeover. Over the next few weeks the garden beds will be repositioned, new wheelchair access points will be constructed as well new paths laid.

As you continue to head down our school driveway you will also notice that we have had a range of beautiful deciduous trees planted throughout our school carpark, on our oval and also in some of our other play yards, as the year’s progress the trees will continue to grow providing some great shaded areas in our school.

Last week we had many Middle school classes out on excursions and camps for the most part of the week. Room 7 had a great time visiting the pelicans at San Remo followed by fish and chips on the beach at Inverloch. Room 8 & 19 had a great day at the Melbourne Museum; they had a picnic at Mt Worth State park and an overnight camp at school. Room 11 & 18 also travelled down to the Melbourne Museum, had a trip to Coal Creek and also had an overnight stay at school. All students who attended these great activities appeared to have a wonderful time and were full of enthusiasm retelling stories of their travels.

If your child is absent from school and travels to school on a school bus could families please ensure they ring or send a text message to your child’s bus so they do not come and collect them of a morning. The numbers for all buses can been found on page 3 of this week’s newsletter.

Monday the 13th of June is the Queen’s Birthday Public Holiday and therefore there will be no school. I hope you are all able to enjoy this upcoming long weekend; the weather is becoming wet and wild so please take care out on the roads and stay safe!

Room 11 & 18 students had 2 action packed days on camp last week - day 1 heading back 200 million years ago to dinosaur times and day 2 heading back 150 years to Coal Creek.

Day 1 we travelled by train and tram to the Melbourne museum where we visited the Jurassic world exhibition. The full size robotic dinosaurs were certainly scary - especially the roar of the T. rex! We then wandered around the museum looking At giant dinosaur skeletons, amazing spiders, bugs and butterflies and animals all shapes and sizes.

Here's what the kids said......

Jaime - I liked the brontosaurus but I was really scared of the T rex
Paige - I liked the brontosaurus too because of its long neck.
Grant - I liked the giant T rex pushing the car and going RRRRRROOOAARRRRRR!!!!
Alex - I liked the dinosaur skeleton
Ramon- I pretty much liked everything but mostly the animatronic dinosaurs and their loud roar.
Denzell - I liked the brachiosaurus. Its neck was long and it was big.
James - I liked it when the T rex was coming. It looked so real. I was wondering if it was going to eat me alive!
Abby - My favourite was the baby dinosaurs that were sleeping. They were so cute.
Hannah - I liked the dinosaurs

Day 2
We headed off to Coal Creek which was a much slower pace than the day before. The students rode on the bush tram, made old fashioned figures from wooden pegs and explored the old township.

Here’s what the students liked.....

Catherine - I liked the Spinners and Weavers because I can crochet and I want to join.
Keith - I loved going in the train carriages because it reminded me of Harry Potter.
Dylan - I liked Coal Creek the best. The old train had lots of little rooms with doors.
Noah - I have no idea!

Thank you to all our staff that helped out over the 2 days - Nicole, Brooke, Cheryle, Deb, Lauren, Robyn, Marni, Sue and Anne.
