Dear Students & Families,

On Thursday and Friday of last week Room 5 headed off to camp. The weather was great and students and staff sounded as though they all had a great time staying the night at Garfield North camp, having a great train experience on Puffing Billy and attending Jump Crazy in Pakenham.

Today Room 14 and 15, our two most Senior classes had the fortune of being invited to the annual Inspiring Young People lunch at the Warragul Golf Club. Inspiring Young People is an informal, no nonsense program that aims to extend students’ knowledge of employment options in their local community.

Over a 2 hour lunch students had the opportunity to interact with adults who are locally employed and/or successful in the community. Students heard about the experienced guests’ education, work and life experiences and the pathway they took to get to where they are today.

Inspiring Young People is a great opportunity for our school students to connect with our local community and to establish long lasting partnerships. I would like to sincerely thank Anne Boyer, the LLEN (Baw Baw Latrobe Local Learning & Education Network) and Phil Ashcroft for their co-ordination and organisation of the event.

Please remember to send in a hat for your child to wear during Term 4 as the weather is warming and we will be having hotter and hotter days as we edge closer to summer. We provide sunscreen at school; if you wish to send in your child’s own sunscreen please notify their classroom teacher so it can be used instead.

Have a fantastic week!

Each week a group of girls get together for a Language Box session.
And sometimes we go to the park.............

Or depending on the story we might cook, Lara is a fantastic cook and in this session she was making porridge. Even though Lara was the only one who cooked we all managed to eat some - yummy, yummy!

The WDSS Family is saying Goodbye to some much loved staff members this term.
Sue Cecil is relocating to Geelong and finishes up this Friday. Sue has been with us for 8 years and her kind & caring nature has been a wonderful asset not only to the many classrooms she has worked in over the years but to the school community in general. We wish Sue & her family all the best in their new adventure!

We will also be bidding farewell to Heather Palmer & Glenda Gray who are retiring at the end of the year. Heather & Glenda have been teaching for a combined total of around 80 years and their depth of knowledge and experience is irreplaceable! In the coming weeks we will feature more photos (and possibly stories!) covering some of the fun they got up to in their time at WDSS.
In Room 7 exercise is important to us. We do swimming, Engine room, Sport and also Pilates. We are learning lots of different stretches. It is fun and we are improving our “core” strength.
