Dear Students & Families,

Yesterday’s West Gippsland Music Para Eisteddfod was a wonderful event with many of our students either performing or enjoying the show from the audience. The students who participated did incredibly well, showing great skills and confidence. You will be able to see many of these acts later in the term at the school concert. It was also fantastic seeing many graduate students performing and extending their musical skills into adulthood. Thank you to the West Gippsland Music Eisteddfod committee for organising this great event.

Over the last week we have been very fortunate to have dental and optical professionals come into the school and assess students. Whilst all junior students were offered both of these services, many other older students and their families also were able to access a free eye test. Those students who required it were offered free glasses to take home. Getting them to wear the glasses may prove to be more difficult for some of the students!

Yesterday a group of senior students attended the Trade Alliance open day. The Trade Alliance offers certificate 2 and 3 programs in a range of trades to local students at a very well equipped Warragul venue. We already have a group of 10 students accessing a successful trade pathways program on a Monday through the Trade Alliance program.

Matt

55 Burke Street (PO BOX 959) WARRAGUL VIC 3820 PH: 5623 1385 EMAIL: warragul.district.ss@edumail.vic.gov.au
BUS TRAVEL

If you are moving address it can take at least a week for the bus route to be altered / new bus allocated (if there is a spot available). The sooner you let the school know your new address and moving date, the sooner we can advise Warragul Bus Lines and they can start new arrangements. This will avoid a potentially lengthy wait for bus travel.

SCHOOL SPARE CLOTHES

Could Parents / Carers please return any school clothes that you may have borrowed from school - they will be clearly labelled WDSS.

We are running very low on supplies and would hate to have to call parents to collect their children simply because we do not have a change of clothes for them.

We would also REALLY appreciate donations of any clothes (including socks, underwear) for ages 10 & under.
We had the VCAL students from Warragul Regional College come and work with us and Room 18 this term. They taught us new games. We went to use their gym. We used the bikes, the treadmills, the rowing machines, the weight machines and all the other equipment. We had a great time and we want to do it again.

I liked camp because we went to the museum and to Mount Worth.
- Lily

My favourite thing on camp was dinner at the Golf Club.
I liked the 100 Days of School games.
- Jacob

I love swimming!
- William

I liked going to the museum. I learned about dinosaurs.
- Blayden

I liked the snow. The best thing about the snow is riding the toboggans.
I like the school camp. The best thing was going to the Melbourne Museum.
- Cory

I liked the snow. The best thing about the snow is riding the toboggans.
I like the school camp. The best thing was going to the Melbourne Museum.
- Cory

I like swimming. I normally do 11 laps.
- Dakota

Josh liked playing Lego.

Angel has been a super star cook. She has made eggs, soups, toasties, and pasta dishes.

I liked camp because we went to the museum and to Mount Worth.
- Lily

I like swimming. I

NEWSFLASH !!
FROM THE OCCUPATIONAL THERAPY DEPARTMENT

Cheeky Chompers is based on the design of the world-first Neckerchew, a chewy dribble bib uniquely combining the popular bandana bib style with an attached chewable teether. Initially aimed at teething tots, Cheeky Chompers had a growing demand amongst parents, carers, and specialists of children and adults with special needs, so expanded into a range of larger sized bibs suitable for older children and adults.

These are available online from several outlets, one Australian supplier is 'little mochi' and depending on the size, price is $25-30.

If parents/carers wish to view the item before purchasing, see one of the Occupational Therapists Yvonne or Anne.

Thank you to the wonderful Volunteers from OneSight for visiting our school last week! Our school community will benefit greatly from this service and we are so lucky to have been given this opportunity!

OneSight is OPSM’s charity partner providing eye screenings and eyewear for those in need. A global non-profit organisation, OneSight believes everyone should have access to world-class vision care regardless of circumstance.

Since 1988, OneSight has impacted 250,000 lives across Australia and New Zealand through outreach services, eye health education and vision screening clinics. It’s with the help of our optometrists and employees who volunteer their time that we have been able to provide sustainable eyecare access and glasses to remote communities and those in need in metropolitan areas.
Junior Student of the Week - Caleb
Positive attitude

Middle Student of the Week - Erin
Persistence with work tasks

Middle Student of the Week - Angel
Coping with change

Junior Student of the Week - Charlie
Excellent reading
