

Dear Families,

The Victorian Government today announced new directions to prevent the spread of the COVID-19.

As a result, in line with the directions issued from Victoria's Chief Health Officer, all Victorian schools will move to a period of remote and flexible provision from tomorrow **Friday 16 July to Tuesday 20 July inclusive**.

**Schools continue to provide on-site supervision for students in the following categories:**

- Children whose parents are considered essential workers, cannot work from home and where no other supervision arrangements can be made.
- Vulnerable children, including children in out-of-home care, children deemed by Child Protection and/or Family Services to be at risk of harm and children identified by the school as vulnerable (including via referral from a family violence agency, homelessness or youth justice service or mental health or other health service).

**If you believe you meet the one of the above criteria and intend to send your child to school tomorrow, please contact the school via the school's email account. School emails will be monitored until 11pm tonight. Alternatively, you can contact the school by phone from 8am Friday.**

**School Buses**

School Buses will continue to run during this time to collect and transport students eligible to access onsite learning.
