

When

I

go out

I

keep

my

hands

to

myself

I can

go out

to the

shops,

doctors,

hospital

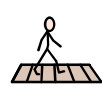

and

go

for a

walk.

I can

do

these

things

with

my

family.

I

have to

stay

near

my

family

when

I

go out.

I

have

to

make

sure

I

keep

my

hands

clean

when

I

go out.

Keeping my hands clean when I go out means I keep my hands

near me.

I can look at things with my eyes & my hands stay with me.

This is different and it is ok. We keeping our hand clean to keep

us safe.
