

Solution Finder Worksheet

Problem: _____

Think about a situation when you had (or anticipate having) a difficult time STOPPING and staying in the Green Zone.

Use this STOP, OPT, and GO Solution Finder Worksheet to brainstorm all of the OPTIONS you have — good and bad. This includes using your tools as well as the choices that aren't so good, like losing your cool.

- Consider each option.
- Take a yellow or red marker and cross off each option that would cause you to go into those zones.
- Take a green marker and circle the best option(s) to go with.

My best option is: _____
