Term 4 Issue 26, Tuesday 17th October 2023

Hi WDSS community,

It's great to be back after having had a big break.

This term is going to be jam-packed with lots of fun school events: just what we need to help us all get through this extra-long term!

First off, we are super excited to have started the transition of our prospective 2024 Preps. With 12 students applying to enrol as preps at WDSS for next year, we are looking at the biggest prep cohort in the history of the school.

Our PPs (prospective Preps) will be transitioning over 4 visits to the school, where they explore our gorgeous courtyard, have fun in the engine room, and finally spend some time in our classrooms.

The Seniors will be once again holding an Open Garden Day on Friday 1st December showcasing their hard work in the school garden. If you remember this from last year, it was a fantastic family event with face painting, fairy floss, games and a BBQ. We love seeing our students show their family members around the garden and introduce them to their friends on these occasions.

After a three-year absence, WDSS will once again be having a school concert. Always such a great event! Our theme this year is 'Summer Celebrations', very apt! We have a lot to celebrate at this time of year. This will be held at school at a time and date TBC.

We are also organising end-of-the-year excursions too: stay tuned for more details.

Lastly, don't forget to send in school hats. Once it stops raining the sun will be beating down on our heads again.

Our Commitment to Child Safety

Warragul & District Specialist School is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making. Warragul & District Specialist School has zero tolerance for child abuse.

Warragul & District Specialist School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention will be paid to the safety of children with a disability as well the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds.

Every person involved in Warragul & District Specialist School has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

BOOK FAIR 2023

SAVE THE DATE:

**Monday 20th November to Friday
24th November 2023**

With Term 4 upon us it means that we are getting ready for our annual Book Fair which will be arriving on November 16th.

The book fair is a great time to not only buy some early presents for Christmas but also it is a chance for our students to enjoy new books or old favourites they might not have seen or read for awhile.

As we get closer to mid November every student and their family and friends will get their own invitation to visit Book fair and join in the fun of Book Fair.

Cheers

Juniors

ROOM 1

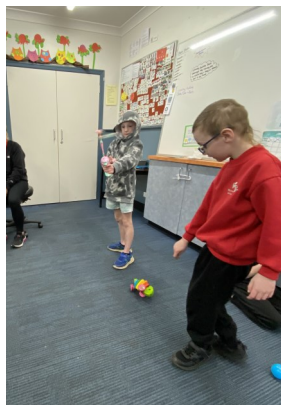

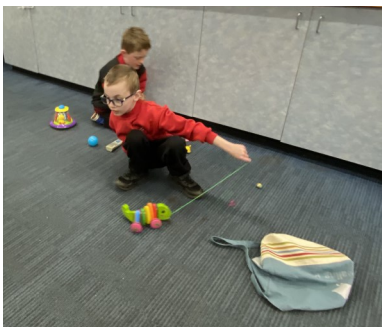

Last week's PBS learning was about 'We keep trying'. Rm 1 students participated in some activities that provided some opportunities to 'keep trying'. They tried flipping frogs onto a plate and went outside to throw goals.

As well, in Science they are learning about the force and motion of push and pull. To support their learning of this they played with some toys that you can push or pull, and blew up balloons using a pump that you push and pull.
